From Pudong International airport:
• Take the Maglev Train (up to 430 km/h). Arriving at Longyang Road you will then take a taxi
(maybe 15 minutes) to the campus.
• Take a taxi from the airport. Be sure not to follow anybody offering you "taxi" service (this
would be an expensive limousine service) but to go to the marked taxi waiting area just
outside the arrival hall. Maybe 40 minutes, not more than 120 RMB.
• Take the subway line number 2 to Jinke Road station (9 stops, 41 minutes), take exit
number 3 and find a taxi to ShanghaiTech University (taxi: about 14 RMB).

From Hongqiao airport:
• Take the subway line 10 and transfer to Line 13 at Xintiandi station. At Zhongke Road
station, take exit 4 (or 5), make a U-turn and then turn left (or right if you took exit 5) on
Zhongke Road.

Public transport:
• Take the subway line 13 to Zhongke Road station, take exit 4 (or 5), make a U-turn and
then turn left (or right if you took exit 5) on Zhongke Road.
• Alternative: Take the subway line number 2 to Jinke Road station, take exit number 3 and
find a taxi to ShanghaiTech University (taxi: about 14 RMB).

Taxi:
• Please print the taxi card on the last page and show to the driver.

Car:
• Navigate to Huanke Lu 199: On the Middle Ring Road take the exit “Jinke Lu”.
• Note that you cannot turn left on Jinke Lu onto Huanke Lu. Suggestion: After exiting the
middle ring road drive west on Huaxia Middle Road (e.g.: when driving direction Pudong
airport on Middle Ring Road, exit Jinke Lu and make a U-turn at the traffic light; when
driving direction Shangzhong Tunnel on Middle Ring Road, exit Junke Lu and at the traffic
light go straight over Jinke Lu). Then turn right on the first crossing to already see
ShanghaiTech University, but then turn right again. You’ll then be on Huanke Lu and will
reach the car entrance at 199 after 600 meters.
Arriving by taxi (see the taxi printout card on the last page) you will either be dropped off at the taxi drop-off at Hauke Road 230 (on top) or the taxi driver might alternatively bring you to the car entrance at Huanke Lu 199. Please walk through the campus to the SIST building number 1 to then find the STAR Center in the 2nd floor of building wing D.

Arriving by car please proceed through the car entrance at Huanke Lu 199 (you’ll need to be registered at least two hours before arrival – please inform your host!) and drive down into the underground parking. There go straight at the first crossing and turn right at the 2nd and find your way towards the parking area A. Park there and then find a way to SIST building number 1 to then find the STAR Center in the 2nd floor of building wing D.
